3 Subject of the Request is **Prohibition (Act No. 1, Annex No. 2) for OCG**
actions (former "Bulgaria" 1878-1992) against the Sovereign, Their Excellencies
of the same, eponymous territory, duly **distributed** for consideration, for
information and execution **see** Act No. 1 No. 008810001 0123035112 ; Annex
No. 2 to Act No. 1 No. 008810002 0123035112 / **4** Subject of the Claim is
indefinite consideration of this text of this content **without** objection, **without**
being provided for by Law by the Sovereign for Their Excellencies against them
by a subordinate "authority" **without** authority, except for the existing **criminal**
one, explained!

Subject Request , is **the payment** by Law to Unilateral Satisfaction of the OCG
sockets affected in this text from the network construction of an illegal "power"
found, **which** is on the territory of the former "third Bulgarian state" 1878-1992
explained and applied here!

5 Subject of **the Prohibition** , is found duly described in Act **No. 1** , Annex **No.**

2 of the text for consideration, information and **execution** - Preclusive by term **despite** having been passed by the Illegal, Illegitimate, Outside the Law and Criminal "power" **after the** Coup d'état in 2005, in 2024 because of **the same** habits!

6 The members of Sovereign, Their Excellencies, consider the action of ANNEX No. 2 to ACT No. 1 **III Part** under **T.1** for Certification, also under **T.5** for Executive Body for tasks of a Sovereign , on the territory of the same name, **former** "third Bulgarian state", explained!

7 The prohibition of this Claim to the Prohibition of this Claim, are **based** on – an expert opinion **without** limitation for two names and which, make the “fate” of the “third Bulgarian state” in **its** bandit form of schizophrenia (fear of consequences for Law 404) **irrevocable under the weight of the obtained facts** , announced by Ivan Todorov Gruykin (lawyer) and Sonya Krumova Mladenova (*Member of Parliament in the Seventh Grand National Assembly, 22 Sofia-district multi-mandate electoral district, as well as in the 36th ordinary National Assembly. Previously, he was a Deputy City Prosecutor at the Sofia City Prosecutor's Office; Chief Legal Advisor at the Committee on Labor and Social Affairs; and Senior Expert on Legislation at the Legislation Directorate at the Ministry of Justice. In the Grand National Assembly, Sonya Krumova Mladenova is a member of the Committee for Drafting the Constitution, Secretary of the Legislative Committee, Deputy Chair of the Committee for Drafting the Rules of Procedure of the Grand National Assembly. In the 36th Ordinary National Assembly, Sonja Mladenova is a member of the National Security Committee.*)

/ Sovereign former "Bulgaria" 1878-1992 Quod Licet Lovi Non Liced Bovi "What is permissible for Jupiter is not permissible for a cow" former "bulgaria" on the Balkan Peninsula /

" Law after 13.07.1992 - **none** ! Which is described in the Constitution in 1991 on July 13 and published (in force) in 1991 SG56 as **an indisputable** fact."

In Conclusion. The actions of the Illegal, Lawless and Criminal “authority” against Their Sovereign Excellencies, is **not** a good attestation and does not lead to a good perspective for the perpetrators! The actions of the Illegal, Lawless and Criminal “authority” **its** metastases, their psychopathic manifestations are systematically **entered into the Dossier against** the so-called “third Bulgarian state” that began **without** a Bulgarian delegation, to be admitted at its foundation **after** the first occupation of the first theft (32 tons of gold) to this day, which exists as a bandit **OCG** for the implementation of thefts by conspiracy for assault and robbery - thus, for **every** action registered by Sovereign on the territory of the same name, **former "Bulgaria" after 18.10.2024, measures** will be imposed to restore order and the Law after **the complete** "denationalization" of the bandit groups, their transformation into **healthy** public cells of their metastases wherever the power resources are deoccupied, the state values and wealth of Sovereign are released, the claim under maritime and Admiralty law is confirmed in 2025 after 1992 after 33 years of agony because of OCG of robbers on Bulgarian lands!

NOTE The Prohibition **to** Request **to** Prohibition are found in **the THIRD to FIFTH** enumerations.

FIRST The habit of the Illegal, Illegitimate, Outside the Law and Criminal "power" to be such after 1992 after 2005 after 2024 in 2025 required for **the second time** the text of Act No. 1 Annex No. 2 of Sovereign for Their Excellencies, to be shared for information and **implementation** this year in the period of transition to the Fourth Bulgarian State on the Balkan Peninsula, to **a legitimate** form of state structure and governance, to resources as national wealth, to social opportunities for communication after the agony after 1992.

This text (quote above) is spread over the Illegal, Outside the Law and Illegal "authority" notified **without** being legalized, not legitimized or having received existential, basic legitimacy while reading, the contents **thrown** into the "trash" with a movement of the hand learned from the height of the same aggressive, surviving in a "hostile environment" personal **ignorance** between the hands, legs and shoulders of this Illegal and Criminal "authority"! - explained.

The purpose of **this** Order as a Prohibition is to **stop** the putrefactive **processes** today in use by Illegal, Outside the Law "power" its habits in **the absence** of a state as a manifestation of **pathology** , realized due to theft on the one hand and due to income, on the other **hand**, of the executive staff - accomplices in the chain.

It turns out that the former "third Bulgarian state" **does not have** the habits to abide by any laws after 1944 **under** the weight of the stolen, already erased **existence** after the attack on innocents **due to** the sick habits **of** the same Illegal, Lawless and Criminal "authorities" (by name) after 1992, enabled because they can, not because they have to!

This text of the Request, **together** with the text of the Prohibition, applies to any **UIC** company, organization or form of (human, animal) assembly as a function of **the OCG**. after 1992 after 2005 for a Coup d'Etat and can be used as a MODEL for any conflict of interest ("misunderstanding") **regardless** of the reason! of the bandit groups against Sovereign **4** data entered after 1993 until 2025 - Sovereign, **does not** owe taxes, fees, funds under "debts" on **its** territory of the same name, which is usurped by Illegal manifestations of the bandit OCG former "Bulgaria" 1878-1992 - **It is forbidden** to demand, demand, impose, use funds under a scheme of gross **abuse** of power, on the territory of the same name **former** "Bulgaria" or "third Bulgarian state" until 1992 **the period** of 33 years of banditry! (due to the smooth transition in conscience, required expenses are paid, **not** under the burden of imposing their habits on the network structure of OCG)

Prohibition ! Their Excellencies from the Sovereign on the territory of the same name **cannot** be **photographed** (audio and video recording), pursued, interrogated, held responsible for actions or inaction, **regardless** of the claim in **descending** order - **it is forbidden** to stop, carry out inspections of Their Excellencies on the territory of the Sovereign; **it is forbidden** to aggression in and around the territory of the Sovereign's property; **it is forbidden** to talk (**without** reason) **fraudulent** behavior (legitimization of Illegals due to **a sick** imagination in the form of an institution, organization) duly **described** in Annex No. 2 to Act No. 1 distributed for information, consideration and implementation!

It is forbidden to ring personal phones (except the work phone), **it is forbidden** to stop for conversations (except by mutual consent), **it is forbidden** to make fraudulent representations, other forms of attempted communication with the aim of extracting information or similar **acts** of accomplices of the Illegal, Illegal and Criminal "authorities" or on their own initiative!

Their Excellencies, as ordinary, **normal** people like all people, talk to normal people **if** the conditions for – **a ban** that places the Elite Minority **above** manifestations of mass scum, **regardless** of the reason!

If you are a **normal** person, mutually beneficial communication is **possible** .

The PROHIBITION together with the CLAIM **against** the Illegal, Lawless and Criminal Power after 1992-2005 in 2025 is based on the expert opinion of the persons listed in **T.7** Sonya Krumova Mladenova & Ivan Todorov Gruikin; their Expertise was used in the founding of Sovereign after August 31, 2023 after October 18, 2024 in 2025, which is **indisputable** and final for the former "third Bulgarian state" its OCG because of the same **habits** that continue the agony after mental **damage or for another reason!**

It has been said that **television** (radio, newspapers, magazines, social networks, YouTubers and bloggers, other idle writers and poets) as a means of propaganda **does not** legitimize anything in the hands of today's Illegal, Lawless and Criminal "power" after 1992, **but** only complicit in the Coup d'état carried out in 2005 **together** with all "accomplices" in one way or another, performing specific **tasks** under the cerebral cortex, and then **through** the bag of the body apparatus in an expression of their **mutual** consent!

The Sovereign's BAN **against** the former "third Bulgarian state" and its metastases is **based** entirely on Laws **against** an Illegal, Extra-Lawful and

Illegitimate "power" fighting to **preserve its own** , regardless of the reason against the normal psyche!

Texts under Annex No. 2 to Act No. 1, previously shown and **declared** Inviolable in the interests of Sovereign, **have been violated in the attack** by the Illegal, Lawless and Criminal "authority" **against** Their Excellencies, the members of Sovereign!

The attack of the "authority" is carried out in a pack from various **places** predetermined in advance as a place in the chain of the so-called "repressive authority" its collusion without a positive attitude, of the positive attestation for the various metastases, awakened with suggested consciousness far from the normal psyche.

Stereotypes of **habits are followed** , as a result of an initial change in the behavior of "Balkan" type of consumers, **regardless** of whether due to ignorance or for some other reason, aroused into action under the weight of psychopathic reflexes.

PROHIBITED – It is prohibited: **1** signing (memorandums, agreements, order forms) negotiating, concessioning, gifting, selling, transferring (assets) of movable and immovable value (water and underwater, land and underground, air and border) on the territory of Sovereign former "Bulgaria" 1878-1992, indefinitely! **1A** promises (for sales, negotiation, agreements) in the first person, **other** not mentioned here forms of "communication" from Illegal and Criminal "authorities" **after** 1992 with objects and subjects abroad, indefinitely! **2** Illegal "authorities" in a missing "state" after 1992, **cannot** sign **anything** in the first person and on **its own** behalf to Illegal "authorities" in a missing state after 1992, indefinitely! **3** It is forbidden to present Illegal OCG groups **abroad** (commissioners, ministers, diplomats, residents) their **criminal** potential (on the territory of a Sovereign) as legitimate entities on the European continent and around the world for the purpose **of** fraudulently acquiring assets and values (tangible, intangible, material, intangible) - indefinitely! **4** It is forbidden to take out loans (monetary, fiat, on carriers) from Illegal and Criminal "authorities" after 1992 from objects and entities abroad **by deceiving** about the existence of a "state" or legal, legitimate "authorities" after 1992 as a mental **disorder or for any other reason - it is forbidden** to present them in the first person, which is without reason , indefinitely! **5 Any** action or inaction on the territory of Sovereign former "Bulgaria" 1878-1992 also abroad **on** behalf of "Bulgaria" 1878-1992 – **without** delegates Mandatory rights from Sovereign, former "Bulgaria" 1878-1992, indefinitely! **6 It is** forbidden to conceal contracts and agreements, other forms of communication for the purpose of **fraud** from Illegal and Criminal "authorities" on the territory of Sovereign also **abroad** , which were signed ("legalized") **by** Illegal and Criminal "authorities" in Outside the Law, a missing state after 1992, indefinitely! **7** It is explained, contracts **cannot** be concluded with a missing subject who is Illegal and the action for him is **unequivocally** Criminal despite the tools in use of arguments that are fraudulent, found on an attractive medium for **the sick** psyche!

Disturbance **against** Their Sovereign Excellencies, **regardless** of the synaptic to internal, bodily pressure of the somatic or biological system as an invocation of a mental **state** that **does not** meet the good manners for communication in an ascending order – is **prohibited** !

FORBIDDEN – OCG of JSC “MIA” Lom brings “summonses” on **06/23/2025** for His Excellency in my person (explained) as completely inadequate, criminal and Outside the Law, as a habit for the Criminal action of the “authorities” after 1992 **against** Sovereign Their Excellencies after 10/18/2024 whether you want it or not – **the facts** are timeless!

*On 23.06.2025, at the address of the "corporate ID card" 651521053 , I understand that I - **His** Excellency Yoan Valeriev Georgiev 123035112, am **wanted by order of the UIC "Prosecutor's Office" AD, city of Ruse** , in connection with a signal (probably "inquiry") from 2023 under file (if I have not **been lied to** by the Ministry of Interior) No. 209 for a claim against me in the amount of 285 leva per denomination from 2023 to 2025!*

*The curiosities of the "authorities" show not only a lack of adequacy, but also criminal consciousness in the actions of the shown OCG nests after 1992.07.13 for **33** years now, performing traditional movements in synchrony through the "arguments of authority" in the person of the OCG nest phantom of JSC "Ministry of Internal Affairs" & JSC "Prosecutor's Office" in neither a state nor a corporation, also explained in detail!*

1 IT IS PROHIBITED – **indefinitely** , communication with His Excellency Yoan Valeriev Georgiev with persons of inferior nature “authority” regardless of the claim of this, to present himself in “duty” or other forms of sick fantasy, providing vigilance to the criminal “authority” by agreement after replacement by rank or in another (not described) way here with persons from the Superior composition of the Elite Minority by Law, whose authority (after 2024.10.18(22) is indefinite!

2 IT IS PROHIBITED – **indefinitely** any claim that is not addressed here in this text, but intended to be made before its articulation by OCG groups of persons engaged in internal banditry, their accomplices / against the Sovereign, His Excellency!

3 IT IS PROHIBITED – **indefinitely** , delaying any action from those here declared as Mandatory as a process on an inferior, Illegal and Outside the Law "authority" as a receiver of Orders through Opinion, Recommendation, Direction; explained in the text as indefinite and mandatory!

FOURTH ILLEGAL, ILLEGAL AND CRIMINAL GOVERNMENT after the Coup d'Etat of **2005** – an attempt to turn “Bulgaria” into a corporation – **neither** a state **nor** a corporation! (explained, here briefly)

The attempt to turn a missing state into a corporation is an act of usurping the "power" to this day, which Illegal "power" **does not have** its own "Ministry of Justice" **nor** a Registration Agency under this "ministry" **due to** the missing basis for action, **if** an action is carried out it is Illegal, Unlawful and Criminal!

Thus, the subjects assigned **a UIC** code under the "new system" are **not systematic violators** , but **accomplices** in the Coup d'état carried out in 2005, despite **the prohibition** by the Civil Code of the Republic of Bulgaria 1991DV56, Art. 1, para. 3 **against** arbitrariness alone, through an organization or political manifestation, explicitly **prohibited** , what has been done, done!

In 1992 , a preclusive period **expired** , **blocking** any further manifestation!

This fact reports that **there is** not only a Ministry of Justice, "Ministry of Justice"; "High Judicial Council"; "Constitutional Court"; "Prosecutor's Office"; "Ministry of Internal or Foreign Affairs" next to the Registration Agency to **the missing** ministry, again, which we will find only imaginary, **due to** the unhealthy psyche of the sick ambition for power!

The entities under the UIC **cannot** be entered into **the UIC** registers "under the umbrella" of the missing ministry, except **for** the carrot of the daily wage, for a monthly bump!

The lack of basis, if it was **committed** , is against the Legal basis, which has **ended** , deprived of the right to **act** , but added **to** the Criminal action of the Illegal "authority" for its UIC accomplices **after** 2005!

The absence of a Registration Agency (due to the missing ministry, available only for the mentally ill) **cannot** carry out actions to register UIC entities in **a missing** country in **an attempt for** this (missing country) to be converted into a commercial, joint-stock company or corporation! (explained)

This **omission** of the mandatory deadlines fatalizes the deal after 1992 with **a preclusive** , blocking, stopping, suspending term after 1992 in 2025 indefinitely in perspective! (explained like this; today's appealed decision of this Illegal, Illegal and Criminal "authority" **if** 1 business day is missed, a (preclusive, stopping) consequence occurs as a mandatory effect / end of the exercise) - the "authority" will make attempts to "legitimize" itself **through** summons, acts, criminal manifestations with the aim of its "legalization" which is completely **impossible** as a sanction, except **through** the imagination of authority, **already** explained!

***Illegal** , null and void are: The Law on the Judiciary was promulgated in SG No. 59 of 1994 with subsequent updates until SG No. 6 of 1999 and later;
The **Civil Procedure Code** was promulgated in SG No. **59** of 20.07. **2007** ;
The **Administrative Procedure Code** was promulgated in SG No. **30** of **2006** ;
The **Criminal Procedure Code** was promulgated in SG No. **86** of **2005** ;
The **law on the legal profession** was promulgated in SG No. **55** of **2004** ;
The **Law on Legal Aid** was promulgated in SG No. **79** of **2005** .1 - As adopted outside the time limit stipulated in § 4 in connection with § 3 paragraph 2 of the Transitional and Final Provisions of the Constitution of the Republic of Bulgaria (in force from 13.07.1991).»*

*2 - "The presented legal arguments also refer to the Constitutional cancellation of the entire legislative creativity of all national assemblies, after 13.07. **1992** and until today."*

3 - "The conclusion follows from the above that the judicial power in the Republic of Bulgaria is not legitimate."4 - "It means that illegitimate, unauthorized, unauthorized,

unauthorized by laws conforming to the Constitution, persons work in the "judicial system." 5 - "Due to the lack of legitimacy of the judiciary, all registrations and re-registrations, judicial acts in the Republic of Bulgaria, carried out by the courts after 13.07. **1992** cannot give rise to legal consequences inherent in legitimate judicial acts."

5 - "With its direct effect, the Constitution of the Republic of Bulgaria cancels the actions of the courts after 13.07. **1992** . and declares the nullity of their decisions as carried out by incompetent and unauthorized persons."

6 - "In turn, this judicial illegitimacy is reflected in the public space after 13.07. **1992** and casts doubt on the holding of legitimate assemblies in the name of the people as legal act."

There is no **UIC** organization or company that can carry out legal actions **regardless** of the claim; **there is no** party; **there is no** legal ministry; **there is no** Ministry of Internal Affairs, **there is no** prosecutor's office, to such a court boat **because of** a carrot pulled with a claim on the boat from behind, all UIC **metastases** of OCG through propaganda, making **movements** for "legalization" in the mud of the imagination of "power", which is Illegal, Outside the Law and Criminal after 1992 after 2005!

(" The UIC (PIC) is determined by the Registry Agency under the Ministry of Justice; the Registry Agency was established on July 31, 2004 with the adoption of §27 of the Law on Amendments and Supplements to the Cadastre and Property Register Law (published in the State Gazette, issue 36 of April 30, 2004).")

There is no such Agency ; **there has been no such ministry** since 1992 to have this "registering agency" to **the missing** ministry, **already** explained!

"The **Civil Procedure Code** was promulgated in SG No. **59** of 20.07. **2007** ; The **Administrative Procedure Code** was promulgated in SG No. **30** of **2006** ; The **Criminal Procedure Code** was promulgated in SG No. **86** of **2005** ; The **law on the legal profession** was promulgated in SG No. **55** of **2004** ; The **Law on Legal Aid** was promulgated in SG No. **79** of **2005** .1 - As adopted outside the time limit stipulated in § 4 in connection with § 3 paragraph 2 of the Transitional and Final Provisions of the Constitution of the Republic of Bulgaria (in force from 13.07.1991). "

When does the organization of the judicial power determined by the Constitution come into effect?"

According to **§ 4** of the Transitional and **Final Provisions** of the Constitution of the Republic of Bulgaria / in force from 13.07. **1991** /:

"The organization of the judicial power determined by the Constitution comes into effect after the adoption of the new organizational and procedural laws, which must be adopted within the period under **§ 3** , paragraph 2", namely: "within **one year** from the entry into force of the **Constitution** . "

See **§ 3** . /2/ of the Transitional and Final Provisions of the Constitution of the Republic of Bulgaria.

In other words, all organizational and procedural laws related to the regulation of the judiciary: Law on the Judiciary, Civil Procedure Code, Criminal Procedure Code, Administrative Procedure Code, etc. followed:

MU ST BE ACCEPTED BY **LEGISLATIVE** AUTHORITY

But made before the expiration of the one-year period from the entry into force of the Constitution, ie before 13.07. **1992** . This period also applies to the Law on the Bar.

The term specified in **§4** in connection with **§ 3** , paragraph **2** , of the Preliminary and Final Provisions of the Constitution of the Republic of Bulgaria /in force from 13.07.1991/ has an assumed mandatory character and preclusive, suspending, stopping effect.

This is the term in which a given right must be exercised: in the case of the adoption, promulgation and entry into force of the laws related to the structure and procedural action of the judiciary.

*This term begins to run from the moment this right arises /in this case from 13.07.1991/ and expired on 12.07. **1992** at **23:59** .*

STATES AND LAWS

1 - 1185 BEGINNING OF THE 2ND BULGARIAN STATE (began - due to increased taxes)

2 - 1992 THE END OF THE 3RD BULGARIAN STATE (1878-1992) (ended due to oversight)

3 - 2024 DECLARED FOURTH BULGARIAN STATE - SOVEREIGN (began as retaliation)

After page 666, we return to Bulgaria.

It is not only the "state" that is Illegal, Lawless, and Illegitimate.

*The actions are brutal and **Criminal** if not legalized in an acceptable manner ; thus forming **OCG** or a bandit form of **attack** through internal enemies, who **every** day by name as the UIC after 2005 commit **a relapse** of the Coup d'état in 2025 onwards!*

*In this case , **not** a single UIC in "Corporation Bulgaria" has **1** valid License **2** court registration (registration agency) also Outside the Law after 1992.07.13 (application by lawyer Ivan Todorov Gruykin - Outside the Law authority BG ; application by expert Sonya Krumova Mladenova)*

*An attempt has been made to register **UICs (companies, enterprises, organizations, parties, administration, parasitic forms of an agent network) in court, but by an illegitimate** (after **1991** SG56 1992) court or "Ministry of Justice" through an agency for registration of UICs: 000695349 Name: Ministry of Justice. The agency under this ministry was "established" in **2004** ! The agency for registration was "established" on July 31, **2004** , published in SG, issue 36 of April 30 , **2004** - far **after** 1992.07.13 to **be** a legal organization or part of a ministry!*

*The so-called "ministry" MJ itself claims creatively (see) for registration from **1879** (as "BNB" AD), while still wearing the veiled hats in 2024 after 2004, after **2005** in 2025! Registration in 1879 **cannot** be valid **without** re-registration, which would authorize the action in **another** era, period or because of **a creative** mood! In 1879, there were **no** UIC trade codes under the "new system" of 2004, except in the hats - without pants for the artists!*

*While **hiding** or concealing its origin, the so-called MJ blocks the action **after** 1992 - 2004 - 2005 - 2024 onwards, not only of the AB agency, but also of all **UIC** entities - "registered" by an illegal, illegitimate, unlawful "court" with the rank of "ministry", which is at the center of a series of **fictitious** , illegal, unlawful UIC codes through MJ - AB **after** 1992-2004-2005-2024 in 2025 onwards!*

AB was created under MJ UIC: 000695349 as a connecting link between corporate, commercial codes that are permanently Illegal, Invalid, Unlawful after 1992 - and their action Criminal in 2025 onwards after 1992!

***1** In **2005** , there was **no** transition from a state to a corporate system! **2** Through a Coup d'Etat in 2005, Treason was signaled (by experts)! **3** In 2005, Treason was committed! **4** Through Treason, a Coup d'Etat was committed in 2005! **5** UICs were appointed through a Coup d'Etat!*

6 *By usurping power, a Coup d'Etat has been carried out!*

*Not only that, but the Report shows the signs of **Genocide** on ethnic grounds, when "BNB" AD makes payments under occupation or when foreign valuables are exported - property of a former (previous) people, which was turned into **an ethnicity** for several generations under the heavy slavery (yoke) of **the parasitic** relationship "BNB" AD and on Turkish grounds, which was not!*

UCC 1-308, UCC 1-308.4 One is **notified** , **all** are notified . Which is being hidden not only by "BNB" AD along the chain of the Illegal **UIC** "power" after 1992 in 2025.

Everyone has been notified (see) – but they are performing their spectacle of "curtain" in front of the Sovereign at the same time **that** the attack on the Sovereign continues **against** people with a high status of social presence under the weight of social waste with **manifestations** of low willpower intelligence, ignorance or incompetence of the "pig connection" **because of** daily income or for another reason; explained!

GENOCIDE Ratification by Decree No. 300 of 23.06.1950 SG No. 153 of 1950 in force from 12.01. **1961** , adopted by the UN on 09.12.1948 with Resolution 260A (III) when the communist party in the socialist state **began** selective persecution of vigilant Bulgarians, despite the ratified Convention and later promulgated in SG No. 99 of 17 December 2010.

Since the "Bulgarian" **people** are composed of a predominantly **Christian** population, Article **II** responsible for targeted action against the religious, also ethnic group.

Genocide is **the numbering** by personal identification number, which is being carried out methodically and continues in 2025.

After 1944, Bulgarians were massacred en masse, **selectively at point A , while severe** (generational) damage was inflicted at point **B**. deliberately imposed "conditions" of life to the point of their physical **destruction** under point **C** (debt slavery, unbearable taxes, invented punishments) / The punishment under Article **IV** is mandatory, provided by Sovereign under Law 404; action is brought before International Criminal Court under Article **VI jurisdiction** (mandatory extradition of those concerned to **places** of execution of sentences) Article XIX UN Secretary General entry into force.

" **The Law** of Jupiter and the Cow of "Bulgaria" before Europe" / Sovereign is Jupiter of the Law, while the so-called "Bulgaria" is the Latin cow *What is permissible for Jupiter is not permissible for a cow*" former "bulgaria" on the Balkan Peninsula because there is nothing else that would be valid in the objective situation of a mass pogrom against statehood.

Composition . Sovereign, consists of – proven Living people (through Vest) outside of Roman and Admiralty law **over** him, who (people) **first** announce their presence – notarially, **then** through Act No. 1 Annex No. 2 finally with a Certificate of Their Excellencies, completing the explanatory stage for their place in the hierarchical and social system; explained.

INTRODUCTION Report / Claim **No. 2** after the submitted Report / Application **No. 1** on 18-21.10.2024 0015 RR-Request_Report-ECB-VCommission-18.10.2024 00483\7,8\810015 - 0001670212 by Sovereign , who is the only legal and legitimate **owner** of the territory of the same name, former "Bulgaria" or "third Bulgarian state" 1878-1992. After 1992, **there is no** country with the name "Bulgaria" **nor** symbols corresponding to what is only in the imagination of an unhealthy **psyche** or sharing its gains in a way **outside** the law, in order for these to be legal and lawful!

The note is that **Their** Excellencies occupy **a high** social position, **not** through financial speculation under the accumulated wealth, because the one and the other are **different** things! As the example of the monetary acquisition in gold (crypto) or other values, **does not** in any way elevate their owner to another level, except as the owner of **transient** values, which pass over time to **other** hands in the same way for people of **low** status despite the imagination for more.

The only thing that works is **the suggestion** as a fiction of the idea that money is superior to social status, which is in no way **true**, although it is accepted as such because of **greed** .

Greed is a biblical manifestation of the "original sin."

FIFTH 1 ISK for the implementation of the Ban, **without** delay, indefinitely for implementation! **2 ISK** without delay, to remove, erase, erase the negatives "earned" by the Illegal, Outside the Law and Criminal Power if there are **any** - immediately, to be removed **not** only, but erased as vicious due to **damage** to the psyche or for another reason such as - pending cases "in the name of the people"; penal fees; fines and taxes; insurance of movable and immovable property; obligations - Sovereign, Their Excellencies, these **have no** debts in the territory of the same name! (explained)

Which territory, because of its internal illness, continues **the agony** towards the impossible transition, which is realized by propaganda as **an expectation** , which is impossible!

All of this has been exported and spread **not** only abroad, **but** also within the country for the ongoing "Special Revolutionary Operation" of the peaceful transition, which, although **bloodless** for the bandit habits because of the general swine as a manifestation, **will not** be useful if it is painless for them - on the other side of them, is the multitude of **victims** , their generation to the unfulfilled life of unborn people, the **unwritten** history of "Bulgaria" as a state of **the future** , devoid of content because of this **vice** of the mass manifestation of mass swine **not** only against the Elite Minority! (see above)

Requesting this **BAN** was implemented in accordance with the available Legal prerequisites, which are **not** insurmountable in any way according to the

prevailing **Law** , which ended in **1992** to begin in **2024** , October 18, after a time "pause" of **33** years for the development of what is found in stock today!

The bandit groups have been given **a** whole generation to do what they have done today, already explained!

Sovereign, **without** being obliged, **does not** share with this composition of the internal environment in 2025 the full information about processes abroad, because the Special Revolutionary Operation of the peaceful transition **does not** depend on **the manifestations** of mass pig-headedness, which will be curbed **quickly** within the time frame provided for the purpose of restoring the Fourth Bulgarian State on the Balkan Peninsula / so the Request above , **together** with the Ban, have **a deterrent** effect in order for the Illegal OCGs from organized crime to know what is next, precisely for the time being!
